

## FIREMAN'S BALL

Press Release

For Immediate Release

The 1910 Commemorative Group is holding a Fireman's Ball. This semi-formal affair is a mid-winter event not to miss! Men in uniform and women in formals to color up the winter in Wallace. The Wallace Elks will be transformed into a fireman's ballroom on Saturday, March 6<sup>th</sup>. Starting at 5:30pm with no host cocktails, dinner will be served from 6:00 to 8:00pm and ballroom dancing from 7:00 to 10:00pm.

The 1910 Commemorative Group is organizing a memorial service to honor the fire fighters of the Great Fire of 1910 and the brave men and women who continue to fight fires today. The proceeds from this semi-formal affair will go to the overall fund raising for the memorial and the events of the August 20<sup>th</sup> services to commemorate The Great Fire of 1910.

The Fireman's Ball will begin selling tickets on February 1<sup>st</sup> for this event. The cost is \$60.00 for a **couple** to enjoy dinner at the Wallace Elks and dancing to the big band music until 10:00pm. We expect these tickets to sell out fast, so arrange your tickets for dinner and dancing soon! The Group plans a desert table and a small silent auction to increase the fun of this evening in "wintry" Wallace.
