

Idaho Bureau of Homeland Security presents

ICS 300 Intermediate Incident Command System for Expanding Incidents

Date: March 23-25, 2010 **Course Length:** 3 days
Kootenai County Search & Rescue Building
10865 N Ramsey Rd, Hayden, Idaho 83835
9 A.M. – 4 P.M. daily

Course Overview

This is an 18 hour Intermediate Incident Command System for Expanding Incidents course that provides training on and resources for personnel who require advanced application of the ICS. The course expands upon information covered in the ICS 100 and ICS 200 courses.

Target Audiences

Law Enforcement, Emergency Medical Services, Emergency Management Agency, Fire Service, Hazardous Materials (HAZMAT), Public Works, Government Administrative, Public Safety Communications, Health Care, and Public Health.

Prerequisites

Required: Completed IS 700 (National Incident Management System), ICS 100 and ICS 200 courses. These are offered on-line by the Federal Emergency Management Agency (FEMA) located at

<http://training.fema.gov/IS/crslist.asp>.

*Command or General Staff experience is recommended.

Completion

Participants who actively participate, attend the entire course and successfully complete the end-of-course exam will receive a Certificate of Completion.

Cost

There is no fee for the course. Lunch and travel expenses are the responsibility of the participant.

***Homeland Security Grant Program (HSGP) funds are approved for this course.**
