## North Idaho Fire Chiefs Emergency Services Academy Scholarship Program

The North Idaho Fire Chiefs are proud of the commitment each and every volunteer and career fire fighter make's to protect the community in which they service.

We are committed to planning, organizing, and producing a Fire Academy, which offers a wide range of in-depth academic and practical hands-on classes for the fire fighters of North Idaho and beyond. We strive to create a learning environment, which challenges each participant mentally and physically. And at the end of the Academy, the individual will be better equipped to **SAFELY** serve and protect their community.

For this reason, the members of the North Idaho Fire Chiefs' Association offers Academy Scholarships to assist departments and individuals interested in attending the NIFCs' Fire Academy. If for any reason you need assistance to attend this Academy, please fill out the scholarship information below.

***Please print or type:***

Name:		Date:	
Mailing Address:			
City:	State:	Zip:
